

REGISTRATION FEES for the 2024-2025 season

The date of birth is the only criterion Hockey Québec uses for the age divisions.
For the 2024/2025 season, a player born between January 1st and December 31st of a given year
is eligible to play in the division corresponding to his age.

| DIVISION | Age on Dec. 31, 2024* | FEE |

prices, and dates will be sent to registered HWI players through Teamsnap once we have the details.

PROCEDURE FOR RETURNING PLAYERS:

All registrations must be made online through the Hockey Canada Registration Portal (HCR) at the following link: [**REGISTER FOR HWI**](#).

Select the appropriate category for your player.

If you receive a message such as the one below and the address is already correct, click NO you do not wish to notify the registrar of the address change.

Our system detected an address change

The address "Pointe-Claire, H9R 4B8, CA" is different than what we have for this player.
Would you like to notify the registrar of this address change?

No Yes

Problem with your registration? [Contact us](#)

***You do NOT need to upload a proof of residence or proof of age if your player is already a HWI member. Simply press NEXT to skip this step.

PROCEDURE FOR A NEW HWI PLAYER:

Step 1: Find answers to many of your questions (including FAQs for the various divisions, what equipment is needed, how the evaluation process works, what HWI uses for communication, etc) at this link specifically for parents: [**INFO FOR PARENTS**](#)

Step 2: You must go to the following link to register: [**REGISTER FOR HWI**](#)

Step 3: You will click on "Register now" twice and then you must select "Register a new participant". Your child is considered a new HWI player if they have never before played for HWI. A player who has previously played for a different association must contact the HWI Registrar at [**hw-registrar@hockeywestisland.org**](mailto:hw-registrar@hockeywestisland.org) to request a transfer before they can register with HWI.

Step 4: You will create your child's profile and register. Please note that your child's file, registration and payment for registration will have a "temporary - pending" status until the requested documents are validated (proof of residence and proof of birth).

See [**THIS DOCUMENT**](#) to find out what you need to supply and how to upload them. When your child's file has been approved, payment will be processed.

NOTE! As mentioned in the document you are about to read, a driver's license is NOT accepted. If you upload a driver's license instead of one of the accepted documents it will delay your registration.

If you are absolutely unable to upload proof of residence and proof of birth in your Spordle account yourself (see below for the instructions), you can send them to: hwi-registrar@hockeywestisland.org indicating the first and last name of your child.

HOW TO UPLOAD A DOCUMENT TO YOUR SPORDLE ACCOUNT:

-----> Go to myaccount.spordle.com

The screenshot shows the Spordle account interface with the following steps highlighted:

- #1** Click on "Members" (in the left sidebar menu)
- #2** Pick a member (in the "Membres" section, selecting a member profile)
- #3** Click on "Documents" (in the top navigation bar)
- #4** Click on the "+" (in the "Ajouter un fichier" button)
- #5** Upload! (in the "Téléverser un fichier" dialog box)

The "Téléverser un fichier" dialog box shows a "Type de document" dropdown set to "Sélectionner", a "Document" field, and a button to "Ajouter un document ou glissez le ici". Below the dialog, a file named "taxes foncieres.pdf" is shown with a date of "2022-06-27" and a label "Preuve de résidence".

PAYMENT OPTIONS:

Registration payments are by credit card only. E-transfers are not accepted.

IMPORTANT:

- A \$100 rebate will be applied when 3 or more players from the same family register. To benefit from the family discount, when registering online, you must register all the children of the same family at the same time, on the same invoice. If you register the 3rd and subsequent children later, you will not be able to benefit from the family discount.
- All full-time goalies playing in U11 to Senior will have their HWI registration fees (minus \$105 for U11-U18 or \$116 for Junior and Senior) reimbursed at the end of the season. The \$105 or \$116 covers affiliation and insurance fees that HWI must pay to Hockey Canada, Hockey Quebec, and Hockey Lac St.Louis.
- Please note that with the new Hockey Canada system, you can print your invoice and receipt yourself (at any time of year), by going to your "My Account" and then "Purchases" at myaccount.spordle.com. **THIS INVOICE IS YOUR TAX RECEIPT - NO OTHER INVOICE WILL BE SENT TO YOU BY HWI OR HOCKEY CANADA.**

REFUND POLICY:

You will find our refund policy on our website at [REFUND POLICY](#)

The full text will appear during registration and must be accepted to complete the transaction.

FINANCIAL AID:

Both Dorval and Pointe-Claire offer financial aid programs. You can find links to their respective websites as well as a few other programs that offer help here: [FINANCIAL AID](#)

DOUBLE-LETTER (C.H.A. GRIZZLIES) EVALUATION CAMP:

The Double Letter teams in divisions U11 to U18 are composed of players from the Central Hockey Association - an alliance of HWI, Dollard Hockey, and the Pierrefonds Minor Hockey Association. To form the AA and BB double-letter teams, players must go through tryouts. Players residing in Pointe-Claire and Dorval must register with HWI in their respective divisions (according to their birthdate).

To register for the Grizzlies' Evaluation Camp you must first register with HWI as a player AND THEN use this separate link to register with the Grizzlies' evaluation camp: [GRIZZLIES' CAMP](#)

Information for the evaluation dates and groups will be sent out to players by the Grizzlies or visit their website here for more news: www.chagrizzlies.com

EVALUATION PINNIES:

At their first evaluation session, each player will receive two evaluation pinnies (red and white) with their evaluation number. These pinnies are to be brought to each evaluation session where players will be told which colour to wear. Pinnies will be collected at the end of evaluations. If you lose your pinnies, a replacement cost of \$10 per pinnie will be billed to you.

PLAYER AND GOALIE CLINICS

Throughout the season, HWI players and goalies have the opportunity to register for additional skills training clinics with our team of professional coaches. These low-cost clinics generally start in mid-October and after the New Year, and run for 10 weeks (goalie clinics run the entire season, usually for 20 weeks). We also aim to offer ped-day and Holiday clinics that will cover specific topics such as shooting, stick-handling, and power skating. Please watch this page during the season for updates: [2024-2025 CLINICS](#)

COACHES and MANAGERS

We always need volunteer coaches to help our players learn hockey and volunteer managers to help run the teams. You must be ready to complete certain certifications required by the Association or Hockey Québec as well as a criminal background search. For anyone interested in applying for a head coach, assistant coach, or manager position, you must complete the following form: [APPLICATION FORM](#)

VOLUNTEERS

Please note that during our U9-U11-U13 tournament in March-April 2025, we need volunteers for many roles. All interested people are welcome. You can let us know your interest by contacting the HWI Director of Operations or our Tournament Director at tournoi@hockeywestisland.org

HWI OFFICIAL SUPPLIER

The Industree located on Donegani Avenue in Pointe-Claire is the official supplier of HWI merchandise. Only this supplier is authorized to use the HWI logo. To purchase hats, t-shirts and more, visit their [online store](#) to place an order. There will also be opportunities to purchase items in person at HWI events throughout the season.

We would like to take this opportunity to wish you a great hockey season and we thank you for your support!
